

20 August 1974

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM : Chairman, Training Selection Board
SUBJECT : Approval of Candidates for Senior Officer Schools,
1975-76

1. Action Requested: Your approval of the selections listed on Attachment (1) is requested.

2. Basic Data or Background: The Training Selection Board met on 12 August 1974 to review the candidates nominated by the Directorates for attendance at the 1975-76 sessions of the senior military colleges, the Senior Seminar in Foreign Policy at the Department of State and the Program for Management Development, Harvard University.

3. Board Position: The Board carefully studied and evaluated the qualifications of the 51 candidates (including one black and one woman) to fill 19 spaces in the schools. It is the Board's opinion that the individual selections show that the Directorates gave careful thought to each officer's potential for greater use in the Agency, that the course chosen should enhance that potential, and that the officers chosen should prove to be fine Agency representatives. Attached for your information (Attachment 2) are a biographic profile and a statement of nomination on each candidate.

4. Recommendation: It is requested that you approve the slate of principals and alternates as listed on Attachment (1).
